TO WHOM IT MAY CONCERN:

I have had the privilege to know and work with Katherine O'Regan for the last five years as a board member of the Sydney East Business Chamber [formerly Double Bay and districts Chamber of Commerce]

Katherine is a rare talent. She combines intelligence and insight with people skills to achieve significant outcomes. As the chair of the chamber, her leadership skills have delivered important results to our business community including parking concessions, Council cost reductions and major community promotional events [Double Bay annual street festival, the largest of its type in NSW]

Her experience as deputy mayor with the Woollahra Municipal Council have honed her political and networking skills which have been invaluable to the Chamber in achieving outcomes for business and the greater community.

Katherine has the ability to listen to business/community needs, establish goals and get things done. She possesses great organisational skills and a passion for hard work, I can think of no better Liberal candidate for the Federal seat of Wentworth!

Yours faithfully,
