East Sydney NSW 2011

Dear Sir,

I am writing in reference to the nomination of Katherine O'Regan as a candidate of the Liberal Party for the seat of Wentworth.

I have known Katherine for over 20 years. More recently, Katherine served with me as a councillor on Woollahra Municipal Council in the term that ended last September.

Katherine was Deputy Mayor for two of the five years of that term.

Katherine served on several Council committees and subcommittees. One of her main interests was to be particularly involved in efforts to revitalise the Double Bay centre.

During most of that time she also served on the Double Bay Chamber of Commerce in its various incarnations and in various capacities. She is now the Chair of the newly merged Sydney East Business Chamber.

Katherine is a strong advocate for issues that matter to local businesses. She is also very interested in clean harbour beaches and the protection of our unique local heritage.

Regards

Peter M. Cavanagh
Paddington Ward Liberal Councillor
Mayor of Woollahra
